11) I have already had a talk with the Commissioner of Police & pretty strongly urged the desirability of increasing the Reserves for the reasons given in the last para of my note. The Commissioner is in favour of the proposal, but he also thinks that there should be an increase in the City Police. With some augmentation of the City Police, I think the Reserves would be adequate for the present.

SIR,

current file

With reference to your memorandum No. 949 Ml. 85-13-2 dated the 22nd July 1913, forwarding for necessary action and report a petition dated the 6th June 1913, from S. Shamanna and other residents of Nagarathapet praying for the removal of the existing Jutka Stand in Nagarathapet, I have the honor to state that the prayer of the petitioners does not commend itself to me, as the reasons given by them for the removal of the said Jutka Stand cannot be accepted. The present Jutka Stand has been in existence for more than 15 years, and no accidents seem to have occured, as alleged by the petitioners. The place is centrally situated and is best suited for the purpose. What is wanted is better Police supervision at the spot.

2. The above land belongs to a private party. Its acquisition for the construction of a Jutka Stand has been sanctioned by Government, and a declaration statement published under Government Notification No. 477/Ml. 46-12-94 dated 11-7-1913. Steps are being taken under the Land Acquisition Regulation by the Senior Vice President to acquire the above land.

3. The petition received with the above memorandum is resubmitted.

I have the honor to be

Sir,

Your most obedient servant,

Honorary President.
